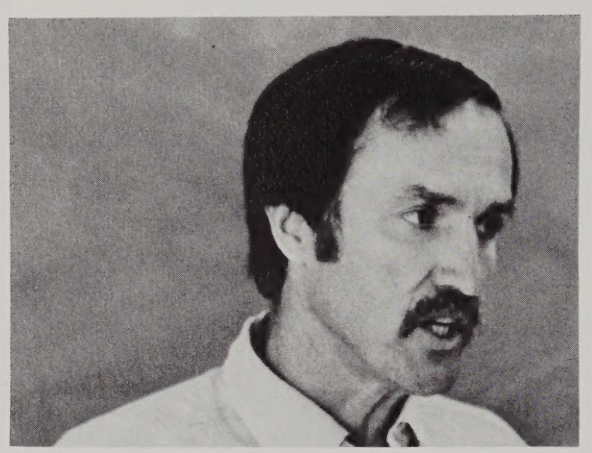
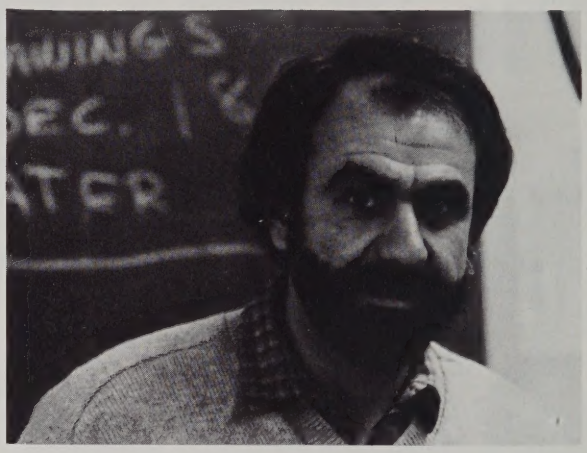
"We Appreciate the good things of today when we realize that they are a part of dreams started yesterday. Recognizing this helps us get a better hold on our dreams and directions."

— George Benson





In the course of our years at Seekonk we have been fortunate enough to have had three outstanding individuals who have given of themselves and their time to help us realize our goals. These three men have been a constant source of guidance for the Class of 1982, and though we realize this is not an adequate way to express our gratitude, we can only say thank you for all that we have gained from your friendship.

Thank you,
Mr, Kulaga,
Mr. Saad,
and Mr. Bardsley

"Where Are They Now"

Outside the sky is watercolor grey
Newspaper says to look for rain today
No one around for company
And so I turn to memories to pass the time away
Each face that flashes back to mind
Seems as it was untouched by time
I can't recall quite all the names
Each one is precious all the same.
Where are they now?
Like so many crazy dancers
We live only for the answers in a song
But that was long ago
Where are they now?
When love was new and wonderful
There was no word impossible
The future we saw with our minds
Was something of our hearts design
Between today and yesterday
Life came between us all.

Childhood

I can recall those warm summer days. No decisions. Child's play. Did they slip away? Gone forever. Gone forever. Lost to yesterday. From the beginning you've been always there, my old friend. True until the end of time.

Memories

As I walk down streets full of amber leaves, I see nothing's really changed at all. We're just older now. Still together, still together after all these years. From the beginning you've been always there, my old friend. True until the end of time.

"Watch the hands!"

There are places I remember all my life,
Though some have changed,
Some forever, not for better
Some have gone and some remain

All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all.

"Time"

Time, flowing like a river
Time, where could it lead
Who knows when we shall meet again . . . if ever
But time keeps flowing like a river . . . to the sea
Goodbye my love, maybe for forever
Goodbye my love, the tide waits for me
Who knows when we shall meet again . . . if ever
But time keeps flowing like a river
On and on, to the sea, to the sea
Till it's gone forever, gone forever, gone forever
Goodbye my friend, maybe for forever
Goodbye my friend, the stars wait for me
Who knows when we shall meet again . . . if ever
But times keep flowing like a river
On and on, to the sea, to the sea
Till it's gone forever, gone forever . . .

We cannot tell the precise moment when friendship is formed. As in filling a vessel drop by drop, there is at last a drop which makes it run over; so in a series of kindness there is at last one which makes the heart run over.

Swimmers Shatter Records

The Girls' Swim team displayed their finest season this fall, with four members establishing positions on the *Boston Globe* All-Scholastic Team. Among these swimmers were Jennifer Raymond, Sara McGovern, Kris Henson, and Chris Fischer, each of whom received citations from the State House.

Seven school records were also attained in the various duel meets, as well as in the South Sectional Meet. In the Randolph Meet, Kristen Henson set a record of 2:02.55 in the two hundred freestyle. In the Stoughton Meet, Sara McGovern swam to a record of 25.58 seconds in the 50 yard freestyle.

The remainder of the records were set at the South Sectional Meet. The 200 yd. Medley Relay of Jennifer Raymond, Kelly Henson, Sara McGovern, and Kris Henson established a record of 1:57.94. The other records were: Sara McGovern, 100 Freestyle, 54.42; Jennifer Raymond, 400 yd. freestyle relay, 3:45.81.

Meet and in the Catholic Memorial Invitational. First places were attained in the Seekonk Invitational Meet and the League Meet. In the State Sectional Meet, the girls came together to take a sixth place.

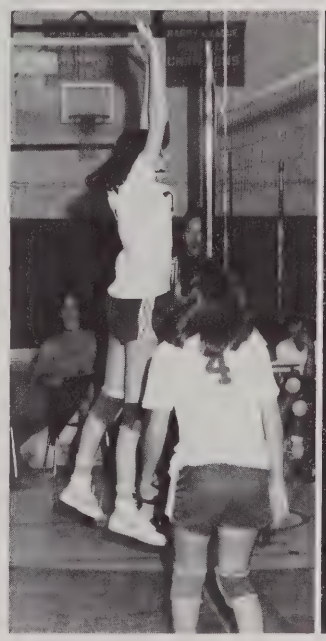
Young Team Makes Good Showing

The 1981 Volleyball team was one of the youngest teams in the school, consisting of five Sophomores and two Juniors. However, the girls achieved a record of 5-7 in the league and 6-10 overall.

Coach Pierce was very pleased with the progress made this year. The skills "improved tremendously from last year" and the girls worked better as a team.

Among the award winners were Lisa Ridolfi for the most consistant J.V. server, Mary Hendricks for the most consistent varsity server, and Sue Whitaker for most valuable player.

Coach Pierce "can only see improvement" for the '82 season. She is anxious to begin the next season, picking up where they left off in '81.



Young Team Shows Strong Effort

The 1981 Football team finished their season with a 3-6 record with sweeping victories over Old Rochester, Coyle-Cassidy, and Case. In their game against Case, the Warriors captured a win in the final seconds of play.Coach Ridolfi's "young team showed much improvement throughout the season." Outstanding performance on the field were given by Vic and Pete Andreozzi, Bob Byron, Sean Cronin, Mike Benvides, Bob Donahue, Mark Black, Greg Palumbo, Tom Brown, and Jim Handanyan.

The thirteen graduating seniors will be missed and Coach Ridolfi is looking forward to a promising future. Numerous returnees such as Sean Cronin, Arnold Swepson, Mike Benevides, and Peter Andreozzi will add to the team's future success.

Young Team Scores Well

The Girls' Field Hockey Team concluded their season with a record of eight wins, one loss, and one tie. This was a fairly young team, with only four varsity players returning.

Leading the team in the offensive position were Celeste Marchetti and Stacey Hess. Celeste finished the season as the high scorer of the team with nine goals.

In the defensive positions, Gina Lopes, Lynn Lewis, and Lisa St. Laurent were the key players. All of these girls were named to the All Star Team.

Also named to the All Star Team was Lisa Gregoire, who played the goal this season. Lisa, along with Lisa St. Laurent, was named as the Most Valuable Player.

Team Shows Great Promise

For the first time since 1977-78, The Boys' Basketball Team finished their season at the .500 mark with an overall record of 9-9. The league record was 6-4, which allowed the Warriors a third place. This year's starting team consisted of three Juniors and two Sophomores, and they showed considerable growth and improvement throughout the year.

The season started with a very tough loss to P.C.D. in their snakepit. After being down by ten in the last quarter, the young Warriors battled back to trail by two with twenty seconds left. They could not score, and P.C.D. scored an unmolested layup for the final margin.

One of the most difficult losses was at Case in the first round of league play. The team lost by two points after trailing by eleven at the beginning of the fourth quarter.

The biggest win in league play came at D.R. Seekonk held a comfortable lead in the first half, only to get in foul trouble early in the third period. The lead dwindled to two points at the start of the last period. With seven minutes to go, Coach Heroux inserted Mike Murphy and Ben Soares, who were on the bench with four fouls apiece, and they quickly built the lead back to ten. Seekonk won, 57-47, and was the only team to beat D.R.

The outlook for next year is very promising. The team is favored to win the league championship next year, and Seekonk is considered "the team to watch."

Great Improvement All Season

The Girls' Basketball Team completed another season under the direction of Miss Dorene Menezes, with a final record of 6-12. This put the girls at fifth place in the league. Coach Menezes said that she was very happy with the girls' great improvement this year and they played exceptionally well, considering that most of their competition came from schools much larger than Seekonk.

The girls' great improvement during the season was best seen at the two games against Somerset. Somerset, the most competitive team on the roster, beat Seekonk by a large margin in the first round of play. The second game was quite different, however, as Seekonk held the lead for a greater portion of the game. In the last minutes, Somerset came from behind to become victorious once again. Coach Menezes and the girls were very happy with their performance. This one game encouraged both team and coach about next season.

The sophomore class proved to hold much talent as Mary Hendricks finished the season as the team's high scorer. Tish Walsh, another sophomore, was the second highest scorer. Sue Shepard was the third girl on the team from the class of '84, and she added greatly to the defense aspect of the game.

Stacey Hess, co-captain, and Sue Regan, will also be returning next season. Stacey had the third highest point total, and Coach Menezes is looking forward to working with Sue and Stacey next year.

Sue McKenzie, a senior and co-captain, was out most of the season with a broken wrist. She came back, however, for the last five games to add strength and support to the team. Brenda Ryan was awarded the Most Improved Player. She "became a member of the varisty team with no previous experience; and, she learned to become aggressive out on the court." Pat McCloskey, a senior with two years experience playing on the varsity team, also added to the team's many triumphs.

"Looking for inspiration?"

"She's gonna slap her!"

Seventh Consecutive Championship

The Boys' Varsity Swim Team finished their season capturing their seventh consecutive Southern Conference League Championship. The Warriors were undefeated for the seventh year, also, with a record of 7-0-1.

Members of the All Star Team included Marc Doolittle, Jack Ellis, Kevin Oliver, Brian George, Steve Kamionek, Paul Lusignan, Mark Gousie, and Bill Fischer. Marc Doolittle was also selected for the *Boston Globe* All Star Team in the 100 yard breastroke.

The Warriors displayed a great team spirit this season as they defeated Duxbury 86-85, the team favored to win the league championship. In a pre-season poll, Seekonk was predicted to obtain a fourth place in the league.

A great addition to the team this year was diving coach Jay Eaton. For the first time in four years, the Warriors were able to compete in the diving event. Divers Rory Willis, Keith Doolittle, and Sam Willis showed considerable improvement throughout the season and were a determining factor in several of the more competitive dual meets. Rory Willis finished his season with a tenth place in the Sectional Meet, with Keith Doolittle obtaining a second place in the Conference Meet.

Hockey Team Undefeated In League

The Warrior Ice Men completed another successful season, capturing their fourth consecutive Southern Conference League Championship, Division 2. The Warriors had a record of 11-0-1 in the league, and an overall record of 16-5-1.

There were many fine Juniors on the squad this season. The top scorers for the team were Mark Lavadiere, Dan Lareau, and Billy Lunnie, all of whom will be returning next season. The captain, Mike Blanchard, along with assistant captains James Handanyan and Tom Brown, were an integral part of the team. Mike Blanchard was awarded the Most Valuable Player by Coach Clark; and, Mike, along with all of the other Seniors will "be greatly missed next season."

With the majority of the team being Juniors, Coach Clark is very optimistic about next season. The Warriors will be moving to Division 1 next year, where their competition will be much greater. Among the returning players will be Tim Urquhart, Bob Hudson, Sean Cronin, Dan Lareau, Billy Lunnie, Mark Lavadiere, and Tom Marshall.

Warriorettes Stronger Than Ever

The 1981 Girls' Softball team finished their season with a 9-11 overall record. The Warriors attained third place in the league, exhibiting their strongest team efforts ever displayed.

Leading in this powerful team achievement were players Kelly Henson, Lisa Gregoire, and Laurie Sloane in the offensive positions. Robin Sloane also added to the talent by ranking third best pitcher in the league.

Returning to the diamond in the '82 season will be Lisa Gragoire, Kelly Henson, Robin Sloane, Mary Hendricks, and Kim Pellerin.

Coach St. Pierre believed that the girls "played with all their hearts" this season and she is optomistic about the upcoming season because of the great progress made, and the returning talent.

"Who *is* that masked marvel?"

Hard Work Pays Off

The Boy's Varsity Baseball Team concluded another successful season in '81; obtaining third place in the South-Eastern Massachusetts Division II Conference. Their 8-6 league record allowed the team to place one notch higher than last year's fourth place finish.

Coach T. Ridolfi had many key players this year who were responsible for much of the action on the field. Among these players were Paul Given, Joe Reddington, Bill O'Brien, Rich Collicci, Rob Hicks, and Rob Vallincourt. Of these six players, three will be returning for play next season.

The players worked well together this season which was evident through their 10-8 overall record. Three consecutive shut-outs, with three different pitchers, exhibited the spirit of the men, as they defeated Diman Voke, Holy Family, and Bourne. The team's strength and talent was displayed in other games, including their defeat of Holy Family 17-2, and Westport 10-2.

Runners Keep It Rolling

The Girls' Track Team displayed their usual amount of talent this season by obtaining a 4-5 league record, and fifth place in league standings.

The girls surpassed all other teams in the history of Seekonk when they achieved two school records. The distance medley, consisting of Sue Mowry, Kathy Keilman, Ann Harrison, and Kristin Giblin succeeded in taking 15.2 seconds off their old record.

The Shuttle Hurdle relay including Donna Gilmore, Gail Papson, Rhonda Ghoula, and Robin Perron also attained a record of 69.2 seconds, shaving .6 seconds off the old time.

Two records were achieved this season. In the Shot-put, John Larotonda set a new school and field record of 54'9½". This feat ranked him third in the state of Massachusetts.

In the Shot-put Relay, Mike Benevides, John Larotonda, and Bob Donahue united to set a new school record, as well as a state Class D record.

Coach Mooney feels that the '82 season should be a fine one, with many returning athletes. Among them are Gary Crowley, who placed second in the mile at the All State Meet, Mike Benevides, Jim Harrison, Chet Pratt, Scott Bosworth, Bob Donahue, John Gamelin, Tim Corbitt, and Dan Mello.

Coach's First Year Proves Outstanding

Cathy Sullivan's first year coaching the Girls' Tennis team proved to be very successful as the girls finished their season with an outstanding 12-2 league record. This was not quite good enough for a first place finish, yet the girls did obtain a close second place.

This amazing record includes two shut-outs by the Warriorettes as they defeated Bishop Feehan 5-0 and Fairhaven 5-0. Another astonishing fact that was evident this year was that Stacey Hess remained undefeated for the second year in a row in her two years of play in the league.

Other players who had tremendous seasons were Cornelia Sullivan and Celeste Marchetti. These two girls, along with Stacey Hess, were named to the All State Team.

With so many returning players, and the loss of only two senior double players, Coach Sullivan is "looking forward to a successful season in the spring of '82."

Building For the Future

The Boy's Tennis Team ended the '81 spring season with a record of four wins and ten losses. These statistics allowed the squad to finish with a fifth place in the league.

Paul Zaretsky and Dave Silva were the two key players for the team. Zaretsky held a first place position in the singles, whereas Silva was second.

Among the returning players will be Zaretsky, Chris Vandal, Dave Martin, Roger Gamelin, and Chris Benoit. With the return of many players, Coach Ridolfi is "looking forward to the future."

Linksmen Make School History

The Warrior Golf Team concluded their best season in Seekonk's history establishing a record of 13-4-1. This was the first team from Seekonk to qualify for the state championship, where they placed fourth in a field of ten teams.

The golfers also managed to achieve a third place in the Southeastern Massachusetts West Division. Leading the team in this effort were Tom Borah and Bill Lunnie. Other contributors to the victory were Jim Borah, Chris Lambert, Rick Dietz, Ken Nadeau, John Borah, and Dean Goodman.

Coach Kulaga is hoping for a successful season in '82. This has been a "remarkable season for such a young team" and the future looks extremely promising, with the loss of only one senior.

Hey Pruitt:

There is only one way to open this, "ONLY A FRIEND". I only have one wish for you, that your biological kids are not as horned out as your kids in school. Because iffa dey are you iza inna bigga trouble.

I really want to thank you for being there all those times when I needed you and I hope that I was there for you! Our relationship is definitely one of a kind. How two kids in 2nd grade can end up with a friendship like ours is beyond me. You are a helluva person, caring, understanding, and a *WICKED* good listener, to put it simply, just a great friend.

Although I do remember all of the times you called me names lik an *IGNORANT GIT*, and a *POOP*. Itta wasa pritty funny, but I think the one that hurt the most was *STUNARD PETTIFUCCINI!* Well, this was the easiest way I knew to tell you I Love You. GNANG, GNANG, GNANG, see ya later!

P.S. It's Full!

Love Ya Always,
Slow-mo a/k/a Mac
Kim

Hey Mac (a.k.a. Slow-mo):

What can be said to someone who has been a caring, giving, totally honest friend? The grandest vocabulary could not project my true feelings. The mere two words 'Thank You' seem to me the most eloquent, yet thank you is not enough. We've had so many experiences that have "enriched our lives".

Do you remember the first time we met? (No, we are not a married couple reminiscing.) Sure ya do. Grade 2. Mrs. Westcott. Boy, were we hellians. Through all the scraped knees and elbows, the tears, the laughter, the joys of accomplishments, the let down of failure, through all of that *BUDDEE*, we've grown. We've grown to be more than friends. We made it. So after all of this sentimental verbage I'll have to tell ya, I Love You 'cause you're a part of me. (Like an arm?)

P.S. No Way!

Have a good life. (I'll be with you, maybe not *every* step of the way but I'll be around.)

Pruitt
Priscilla

My Old Friend

I can recall those warm summer days. No decisions. Child's play. Did they slip away? Gone forever. Gone forever. Lost to yesterday.

From the beginning you've been always there my old friend. True until the end of time.

As I walk down streets full of amber leaves, I see nothing's really changed at all. We're just older now. Still together, still together after all these years.

From the beginning you've been always there my old friend. True until the end of time.

From the beginning you've been always there my old friend. True until the end of time.

The time has come, for closing books and long last looks must end
And as I leave I know that I am leaving my best friend
A friend who taught me right from wrong
And weak from strong, that's a lot to learn
What! what can I give you in return.

Those awkward years have hurried by — why did they fly away
Why is it Six, children grow up to be people one day,
What takes the place of climbing trees and dirty knees in the world outside.
What is there for you I can buy,
If you wanted the world I'd surround it with a wall
I'd scrawl these words with letters ten feet tall; to Six, with love.
